Stampin' Dimensionals 104430

Heat Tool 129056

Embossing Buddy 103083

Stampin' Trimmer 129722

Measurements to cut-

| Product | Cm | Inches |
|---|-------------|-----------------|
| Card Base - Wisper White cut in half long | 10.5 x 29.8 | 4 1/8 x 11 3/4 |
| Shimmery White | 3.8 x 14.8 | 1 1/2 x 5 13/16 |
| Wisper White | 4 x 9 | 1 1/2 x 3 1/2 |

Method-

1. Wipe shimmery White card stock with Embossing Buddy then stamp the stars using the 3 star stamp with Versamark. Any spaces can be filled with the single star Stamp.
2. Apply Embossing Powder and heat set.
3. Sponge the embossed card with the four colours blending one colour into the other so you get a nice flow of colour...Hint: I used my grid paper to help with dividing the sponged areas up.
4. Adhere to card base with snail half a centimetre from the bottom edge.
5. Stamp the 3 Toy image in top right corner in Basic Black.
6. Using Ink Pads and blender pens colour the image.
7. Stamp sentiment on smaller piece of Whisper white card Stock with Basic Black and using the Label Framlit cut out using the Big Shot, making sure the sentiment is to the right of label. Trim left side and attach to card with dimensionals.

Hope you have enjoyed making this card.
