

Peaceful Poppies Tutorial

I have created 3 cards for the Peaceful Poppies Tutorial.

- Card 1 as a very simple card to make
- Card 2 Still simple but with a few added elements
- Card 3 has the added technique of water colouring.

All three cards use products from the Peaceful Poppies Suite Bundle

[Peaceful Poppies Suite Bundle \(English\) \(\\$238.00\)](#)

The cards also use the coordinating Stampin' Up!® cardstock- Basic Black, Blackberry Bliss, Calypso Coral, Crushed Curry, Flirty Flamingo, Mossy Meadow, Old Olive, Pool Party, Poppy Parade, Rich Razzleberry and Whisper White.

Hints-

Before starting read through all the instructions.

Water Colour the elements for #Card 3 first, to allow for dry of the elements before adhering to your card.
