# INSTRUCTIONS

1. Cut out each piece listed in the measurements above. **NOTE:** When cutting the Designer Series Paper. Cut the Insert Trim first, as some of the designs have a one-way design (meaning the flowers and stems go up and down - In the same direction). The trim is a wider piece than the front so by cutting it first you have the width required.
2. Score and fold the card base.
3. **Card Front** - Adhere the Designer Series Paper to the Mat using Multipurpose Glue.
4. **Label** - Using VersaMark, stamp the sentiment "Just Because" from the Lovely You Stamp Set onto the Label Strip. Making sure your stamping towards the right-hand side of the strip. Cover with the White Embossing Powder and heat set using a Heat Gun. Place the right-hand side of the strip into the Lovely You Punch, checking the strip is lined up by looking at the reverse side of punch and 'Punch'! Trim the strip back on the left side to a measurement of 4.25cm (1  $\frac{5}{8}$ " )

5. **Ribbon** - Cut each length of ribbon into 7 cm (2  $\frac{5}{8}$ " ) lengths. Adhere to the back of the label using Snail adhesive. Trim the ends under the label and angle cut the ends on the right side.

6. Adhere dimensionals to the back of the label and attach to the Card Front

7. Attach the card front to the card base popping it up with dimensionals.

8. Using the coordinating 2020-21 In-Colour Enamel Dots add 3 dots in the same colours as the ribbon. I have added one to the label and the other two in a triangle going outward from the label.

9. **Card Insert** - Adhere the Designer Series Paper Strip to the Basic Black strip lining up the bottom edge and leaving a 2mm of the Basic Black showing.

10. Again, using the three ribbons attach 3 small lengths onto the back of the strip and attach to the Whisper White Insert. Adhere to the inside of the card.

11. Your card is now complete! Congratulations.

ENJOY THE TUTORIAL. ANY QUESTIONS PLEASE ASK.
