INSTRUCTIONS

1. Cut out each piece listed in the measurements above and fold card base along score line.
2. Poppy Parade Card Mat - Using the small holly out line stamp, stamp the image all over the cardstock using the Poppy Parade Stampin' Pad. **HINT**- I found It easier to stamp the first image In the middle and work the others around It.

3. Sponge around the edges of the Poppy Parade mat with the Poppy Parade Stampin' Pad

4. Adhere the Poppy Parade mat to the card front using Multi-Purpose Glue.
5. Whisper White Card Front - Using the 3rd largest die (counting the largest die as 1) I then used the negative as a template for stamping using the Stamparatus.

6. Position the small holly stamp where you want your image on the cardstock, stamp side down. To Pick up the stamp - Close the clear plate down onto the stamp & press down, the stamp will now be attached to the clear plate. Ink the stamp with the Just Jade Stampin' Pad, close plate and apply gentle pressure. If your Image is not clear, then reink and repeat.

7. Position the fill in stamp of the holly, lining up the Images. Ink up the stamp with the Costal Cabana Stampin' Pad and stamp.

8. Repeat the same steps as above with your sentiment, using the Momento Tuxedo Black.

9. Place the berries on a stamp block and stamp In Poppy Parade

10. Just Jade Ribbon - Cut a length of ribbon 25-30 cm (10-12") long, adhere to the back of the Whisper White card front with Seal.
11. Add dimensionals to back of card front and attach to the righthand side of the mat.
