Instructions

1. Cut and score cardstock to measurements given above.
2. Stamp floral image onto Basic Beige cardstock using Memento Tuxedo Black and set aside to dry.
3. Card Front
 - a. Basic Beige- Mark top & bottom of cardstock with a pencil at 6cm (2¼"). Line up one of the Fancy Boarder Dies along these two marks and run through the Cut & Emboss Machine. An alternative to this would be to tear the cardstock from top to bottom at the 6cm mark.
 - b. Add texture to cardstock panel with embossing folder.
 - c. Adhere DSP to the right side of Cloud Cover Mat, leaving a 1.5ml (1/16") boarder on 3 sides.
 - d. Adhere embossed cardstock to left side again leaving a small edge.
4. Adhere matted card front to the card base.
5. Card Insert
 - a. Adhere DSP strip to bottom of Basic Beige Insert
 - b. Adhere Basic Beige Insert to Cloud Cover Matt.
 - c. Attach matted insert to the inside of Card Base.
6. Colour the floral image using Stampin' Blends and die cut with coordinating die. (See Video)
7. Stamp sentiment using Pretty Peacock Ink Pad and die cut using a banner from the Stylish Shapes Dies.
8. Die cut each of the leaf dies (2 dies), one pair in Basic beige the other in Cloud Cover.
9. Dry fit all the pieces to see where you want everything to fit.
10. Using multi-purpose glue adhere the sentiment to card front.
11. Cut 20-25cm (8-10") of Braided Trim and separate the braid. Take 2 strands and form two loops in each strand. Using a glue dot add the loops to your card front, the glue dots will be hidden behind the floral image. (see Video)
12. Add 2 or 3 dimensionals under the floral die cut image in the centre adhere to the card. You can come back and add more dimensionals later, after the leaves are in place.

13. Using multi-purpose glue adhere the leaves into place.
14. Add some Charming Shimmer Faceted Dots to complete your card.

Congratulations your card is complete.
