## Instructions

1. Cut and score cardstock to measurements given above.
2. Fold along score lines to create a Z-Fold Card or Fold card in half, then fold cut edge of front back to centre fold. Burnish all fold lines.
3. Adhere the Card Front (Left) DSP to the folded back left hand side of card.
4. Adhere the Card Insert DSP to the Card Insert Mat DSP, adhere to the right-hand side of opened card.
5. Die cut the Front and Insert panels using the Textured Notes Dies. If you don't have the dies, then cut the card stock down.

  - b. Insert Panel- 5.5 x 9.5cm (2 ¼ x 3 ¾")
6. Adhere the panels to the card front and inside of the card. The larger panel will hide the insert panel when card is closed.

9. Work out your placement for the stems and pears and adhere down to front panel. I used an extra Leaf/stem to add extra leaves behind bottom pear.
10. Attach the sentiment with Dimensionals to your card front.
11. Adhere the Low-Profile Sparkling Dots to complete the finished card.

Congratulations your card is complete.
