- Cardstock Size = 20cm x 10.5cm (7½" x 4¼")
 - Make 2 cuts along the long sides, positioned 2.5 cm (1") in from both the top and bottom, and 2.5 cm (1") in from each side. Using your trimmer, line up the blade to cut from 2.5 cm to 17.5 cm (1" to 6½").
 - Score lines are shown by the dash Lines. I found it easier to score top to bottom lightly. Score in from each end at 2.5,5cm. (1" & 2")
 - Fold along score lines **only** as shown above. -Mountain Fold then Valley Fold
 - Burnish all fold lines.
2. Cutting DSP**
 - DSP 1 Mushroom Paper
 - Decides what section of the design you wish to use and cut 2 strips 20 x 5.2cm (7½ x 2"), one for the front of the card and the other for the back.
 - Front- To keep the flow of the design of the paper going across the card start cutting the DSP into widths of 2.2cm, 2.2cm and 14.7cm (1", 1" & 5¾"), there will be a small piece left over.
 - Back- Repeat but start cutting at 14.7cm, 2.2cm and 2.2cm. (5¾", 1", & 1")

- Arrange all the pieces in order of how cut and adhere to card base, front and back. Making sure you leave an equal gap all around each section. See image below.

- DSP 2 Small leaf Paper
 - Cut 4 strips 20 x 2.2cm, 2 for the front and 2 for the back.
 - Front 2 strips – cut 14.7cm, 2.2cm & 2.2cm (5¾", 1", & 1")
 - Back 2 Strips – cut 2.2cm, 2.2cm & 14.7cm (1", 1" & 5¾")
 - Arrange all the pieces in order of how cut and adhere to card base, front and back. Making sure you leave an equal gap all around each section. See image below.

3. Scalloped Blooms Circles
 - Die cut 2 scalloped circles, using 3rd and 4th largest. The larger circle cut in Cajun Craze cardstock and the smaller in Basic Beige cardstock.
 - Adhere the two circles together, offset them.
 - Attach the scalloped circle to the right side of the card front. Only on the side panel, not the top and bottom rows. Only approx. 2/3rds of the circles will be on the card base. Trim away the overhanging excess.
4. Mushrooms & Flowers

- Die cut Mushrooms, mushroom caps & flowers Re: cutting measurements above
 - Colour mushrooms & caps, add a few spots on the mushrooms with Gel Pen.
 - Adhere all the pieces together to create 2 large mushrooms, 3 smaller mushrooms, 2 flowers
5. Stamp sentiment from the Phrases & Frames Stamps in Moss Meadow ink and die cut using the Stylish Shapes Dies. Add dimensionals to the back only on the sides.
 6. Arrange and adhere mushroom and flower to the die cut scalloped circles. Also adhere the sentiment to the card front.
 7. On the back of the card adhere the writing panel to the centre row.
 8. Decorate around the panel with the leftover mushrooms and flower, you may need to trim down a little to fit.
 9. Add some of the Ladybug Garden Epoxy Shapes from the Suite Collection to the card front.
 10. Your card is now complete.
