How to....

1. Cut all cardstock, as per Measurements.
2. Card Base Swing Mechanism
 - With the 19cm (7") length across the top of the paper trimmer, score at 8.5cm & 10.5cm (3⅓ & 4⅞").
 - Keeping the 19cm (7") length across the top of the paper trimmer, align the left edge at 4cm (1⅝"). Place the blade at 2cm (¾") and cut down to 8.5cm (3½"). Flip the card base around and repeat on the opposite side.
 - Turn the card base so the 10.5cm (4¼") side is across the top of the paper trimmer. Align the left edge at 2cm (¾"). Place the blade at 4cm (1⅝") and cut down to 8.5cm (3½"), or the first score line. Lift the blade, move it down to 10.5cm (4⅞"), and cut to 15cm (5⅞"). Flip the card base around and repeat on the opposite side.
 - Fold along the top and bottom score lines, keeping the centre section flat.
