	Back DSP Peaceful Pine Spots	4	1¼ x 2"	4.9 x 3.7cm
Sentiment	Basic white	2	4 x 3"	10 x 8cm

How to....

1. Cut and score all cardstock and DSP as instructed. When cutting your DSP, consider the direction and flow of the design. If your DSP features a strong or continuous pattern, cut a full-length strip first, then trim it down to the required widths. This will help ensure the design flows seamlessly across your card.
2. **Card Base-** Burnish all the score lines firmly using a bone folder, then fold the cardstock into a concertina (accordion) fold, ensuring the folds are crisp and even.
3. **Card Base – Front:** Adhere the four Poppy Parade Plaid DSP panels across the front of the card, ensuring the pattern flows in the correct direction.
4. **Card Base – Back:** Adhere the Holly DSP panels to the first, third and fourth sections of the card. On the second section, adhere the Basic White cardstock panel.
5. **Centre:** Fold and score the Pecan Pie Cardstock in half. Lay the cardstock down flat with mountain fold up and adhere the Snowflake DSP to both sides.
6. **Top & Bottom:** Adhere the Peaceful Pine Spots DSP to all four cardstock pieces. Take care when positioning the DSP to ensure the spots align neatly across each matching pair.
7. **Adhering horizontal panels to Card Base – see video**
 - a. Card Base Folds: The front of the card base should be folded in the following order: mountain fold, valley fold, then mountain fold.
 - b. Attaching the Top & Bottom Panels: Adhere the top and bottom panels to the sides of the valley folds. The centre panels will then be adhered to the two outer mountain folds. ([Refer to the video for placement guidance.](#))
8. Fold the card closed. You will notice two areas on the top and bottom right-hand side where there is no DSP. Adhere two of the Peaceful Pine DSP pieces from the back panels to these sections.
9. Turn the card over and repeat on the back, adhering the remaining two Peaceful Pine DSP pieces to the top and bottom left-hand sections.
10. From Basic White Cardstock die cut two scalloped rectangles from the Scalloped Christmas Cheer Dies- size 3rd smallest die.
11. Stamp 'Making Spirits Bright' with Pecan Pie ink.
12. Adhere stamped die-cut to the left centre panel and the other die-cut to the right centre panel.
13. Using stickers from the sticker sheet decorate both die cuts.
